BLACKWELL 'FINE JAMAICAN' RUM IS AUTHENTICALLY JAMAICAN - COLORFUL, RICH AND COMPLEX.

Chris Blackwell, the man behind the rum, was the founder of Island Records, which brought Bob Marley and Reggae music to the world. Chris also owns GoldenEye, Ian Fleming's (James Bond creator and author) villa where all the James Bond novels were written.

Taken from his family's time-honored recipe—and enjoyed by the many musician and artist friends visiting Chris at GoldenEye—this AGED, rich and fragrant rum is filled with the warmth and sensuality of Jamaica, making it one of the finest gifts the island has to offer.

CELEBRATING JAMES BOND IN JAMAICA WITH THIS VERY SPECIAL LIMITED EDITION BOTTLE.
